Bible Genealogies

Do you have a big family? A small one? Do you know who your cousins are? The name of your Grandfather? The study of a line of descendants traced continuously from an ancestor is called genealogy. This month's challenge looks at some of these relationships. Search your Bible for the answers. I have given you a few clues to help.

1. Naomi was married to _____. They had two sons, _____ and _____.

Both sons were married. The names of their wives were _____ and _____.

After Ruth's husband died she married a kind man named _____. They had a baby boy that was

named _____. He ended up being the grandfather of _____--who became KING.

2. Who was Noah's grandfather? _____.

3. Who was Miriam's brothers? _____ _____

4. Which of Jacob's sons did Joseph the earthly father of Jesus come from?

5. Look up Luke 1:36 ---Were the two women related? yes   no (circle one)

Bonus: In the King James version of the Bible how were they related? _____

6. Noah had three sons, what were their names? _____ _____ & _____

7. Saul's father was named _____. Saul's Grandfather was _____.

8. Which of Saul's sons was best friends with David? _____.

9. David showed kindness to son of his best friend–his name was _____.

Did you know... Sometimes you will find the same person in a different part of the Bible under a different name. Another name for the answer to question 9 is: Merib-Baal.
